Terms of Service:

1. "YES, DO THIS WORK"
I hereby authorize the corresponding service to be done along with the necessary materials.
2. "YOU MAY DRIVE MY CAR ON PUBLIC ROADS"
John's 4x4 staff may operate my vehicle for the purpose of testing, inspection, and delivery.
3. "NO PAYMENT, NO KEYS"
An express lien is acknowledged on my vehicle to secure the amount of services thereto. Please also note, any vehicle left at John's 4x4 longer than 10 consecutive days without any services approved will be charged a \$15 storage fee per day. If any vehicle is left more than 30 consecutive days, John's 4x4 reserves the right to apply for "title" of this vehicle.
4. "CUSTOMER SUPPLIED PARTS CAN SLOW US DOWN"
Any customer supplied parts will incur a customer supplied parts Labor Rate Increase to \$189.95 per hour. Additionally, it is our policy not to have customer supplied parts dropped shipped to our location. Ask your service advisor for details.
5. "ONLINE COMMUNICATION OK"
I welcome email from John's 4x4 as a means of receiving copies of my estimate, work order, and invoice.
6. "SOCIAL IS COOL WITH ME"
John's 4x4 may at times take pictures of your vehicle for purposes of social media and showcasing the work we do. As a customer, you grant the John's 4x4 permission to use your vehicle in a photograph, video, or other digital media ("photo") in any and all of its publications, including web-based publications, without payment or other consideration.
7. "IF I WANT TO KEEP PARTS REMOVED OR REPLACED, THEN I NEED TO TELL YOU"
Please be aware that any parts, wheels, or tires that a customer intends to keep and left at John's 4x4 for pick up later, must be picked up within 3 days. Any parts, wheels, or tires left at John's 4x4 beyond 3 days will become the property of John's 4x4 to be recycled, sold, or disposed of at our discretion without penalty or liability.
8. "LOANER VEHICLES ARE SWEET (but you take full responsibility for any damages)"
If you are using one of loaners, we ask that you and only you are allowed to drive the vehicle, that you are a minimum of 25 years of age, you will drive responsibly, treat it like your mothers car, and return it with the same amount of gas you started with. You are also responsible for a having a valid Colorado drivers license, full coverage auto insurance, and are responsible for any traffic violations you incur while driving our cool loaner vehicle. You agree that your insurance is primary and that John's 4x4 has the right to make a claim against your insurance.
carrier to cover any damages that occur to the Vehicle while in my possession
10. "HERE'S MY SIGNATURE"
I endorse the attached digital image of my signature as equivalent to my written signature and as proof of my agreement to these terms.

FINDINGS

Road Test - Transmission

Shifter feels sloppy. Feels to be bushing at base of shifter into transmission.

Written by Ryan.C Carpenter at 01/19/2024 02:29 PM

Road Test - Steering / Handling

Steering wanders recommend adjustable control arm alignment.

Written by Ryan.C Carpenter at 01/19/2024 02:30 PM

Road Test - Ride Quality / Suspension

Clunky in rear.

Written by Ryan.C Carpenter at 01/19/2024 02:30 PM

Lighting - License Plate

No license plate light

Written by Ryan.C Carpenter at 01/19/2024 02:31 PM

Lighting - BU Lamps

No back up lamps integrated with the aftermarket round lights. Recommend different aftermarket lights with BU integrated

Written by Ryan.C Carpenter at 01/19/2024 02:32 PM

Under Hood - Fluids - Transmission (Auto)

N/A

Written by Ryan.C Carpenter at 01/19/2024 02:34 PM

Under Hood - Other

Invoice #88907

Page 7 of 12
01/22/2024 10:51 AM

Washer fluid leaking at grommet into reservoir for washer pump. Class 2 dripping onto frame.

Written by Ryan.C Carpenter at 01/19/2024 02:37 PM

Under Car - Steering Components

Steering box has internal play. Takes a lot of input in steering wheel to get feedback out.

Written by Ryan.C Carpenter at 01/19/2024 02:42 PM

Under Car - Suspension

Rear sway bar links bushings are blown and have play. Most likely cause of clunking heard in rear.

Written by Ryan.C Carpenter at 01/19/2024 02:42 PM

Under Car - Visible Leaks

Valve cover gasket class 3
Oil pan/rear main class 3
Rear driver axle seal leak (teraflex rear axle)

Written by Ryan.C Carpenter at 01/19/2024 02:46 PM

Tires - Left Front

All tires have dry rot and cracking between tread lugs date of 2015
315/75/16 tire size

Written by Ryan.C Carpenter at 01/19/2024 02:48 PM

Tires - Spare

Spare does not match
